

MARIA F. HERNANDEZ

•B.S. Computer Science and Technology•

ABOUT ME

I enjoy helping others and sharing my knowledge, attention, and expertise with anyone who needs it. I take a steady approach, ensuring that things are done to the highest standard. I don't just get the work done, I take pride in it. I consider myself a responsible and well-organized person.

EXPERIENCE

**January 2018 -
May 2018**

Volkswagen Mexico

App Developer Intern

- Mobile application for internal use of the company and its employees.
- Developed an iOS app using XCode and Swift.
